## THE BIG TEACHER'S PET

I am an eighth-grader and a long-time fan of MAD. Recently, in my math class, I had the placement process test and after I finished, my teacher said we could read. So I pulled out MAD — after two seconds, my teacher came up to me, snatched the mag and put it into her desk. She then said that MAD was not to be tolerated and that it was the work of the devil. Then she gave me detention!

Ty Saez, Marblehead, MA

Ty Dye — We don't think it's very fair of your teacher to say that the magazine is the work of the devil. Truth be told, only *parts* of it are created by Satan himself. In fact, we'll let you in on a secret: he typically contributes under the pen name Arie Kaplan. Enjoy and beware the sign of the beast! —Ed.

## THE ED.'S NIFTY FIFTY™

It's time once again for the Nifty Fifty™, our little list of the 50 people we'd most like to see photographed with a copy of MAD! If we print your photo of the celeb holding an issue, you will receive a fabulous three-year subscription and a special secret surprise! (Sorry, photos cannot be returned.) So get out there and start harassing those celebrities today! And of course, we still want regular Celebrity Snaps, too!

## Make A Dumb Wish Foundation™

My dumb wish for the *Make A Dumb Wish Foundation™* is to turn my plain old room into a room fit for a fan of MAD.

Ray Sivek, Traverse City, MI

Ray It Forward — Let's see what we have to work with: bare walls, sparse furnishings and little or no natural light coming in — looks like it already fits the bill! However, we leave it to you, good readers, to help Ray make his room fit for a fan of MAD. Send in your decorating and renovation suggestions, as well as any posters or artwork you've created for Ray, to Amy "The Big Crib Crasher" c/o MAD Magazine, 1700 Broadway, NY, NY 10019! We'll be happy to pass it all along to him! —Ed.

## GEORGE WOODBRIDGE

We are sad to report the passing of long-time MAD artist George Woodbridge on January 20th. During the course of his 47 years with MAD, George illustrated hundreds of articles, including "43-Man Squamish," one of our most popular and reprinted pieces. We extend our deepest condolences to his family.

## CROSSING THE SNICKET LINE

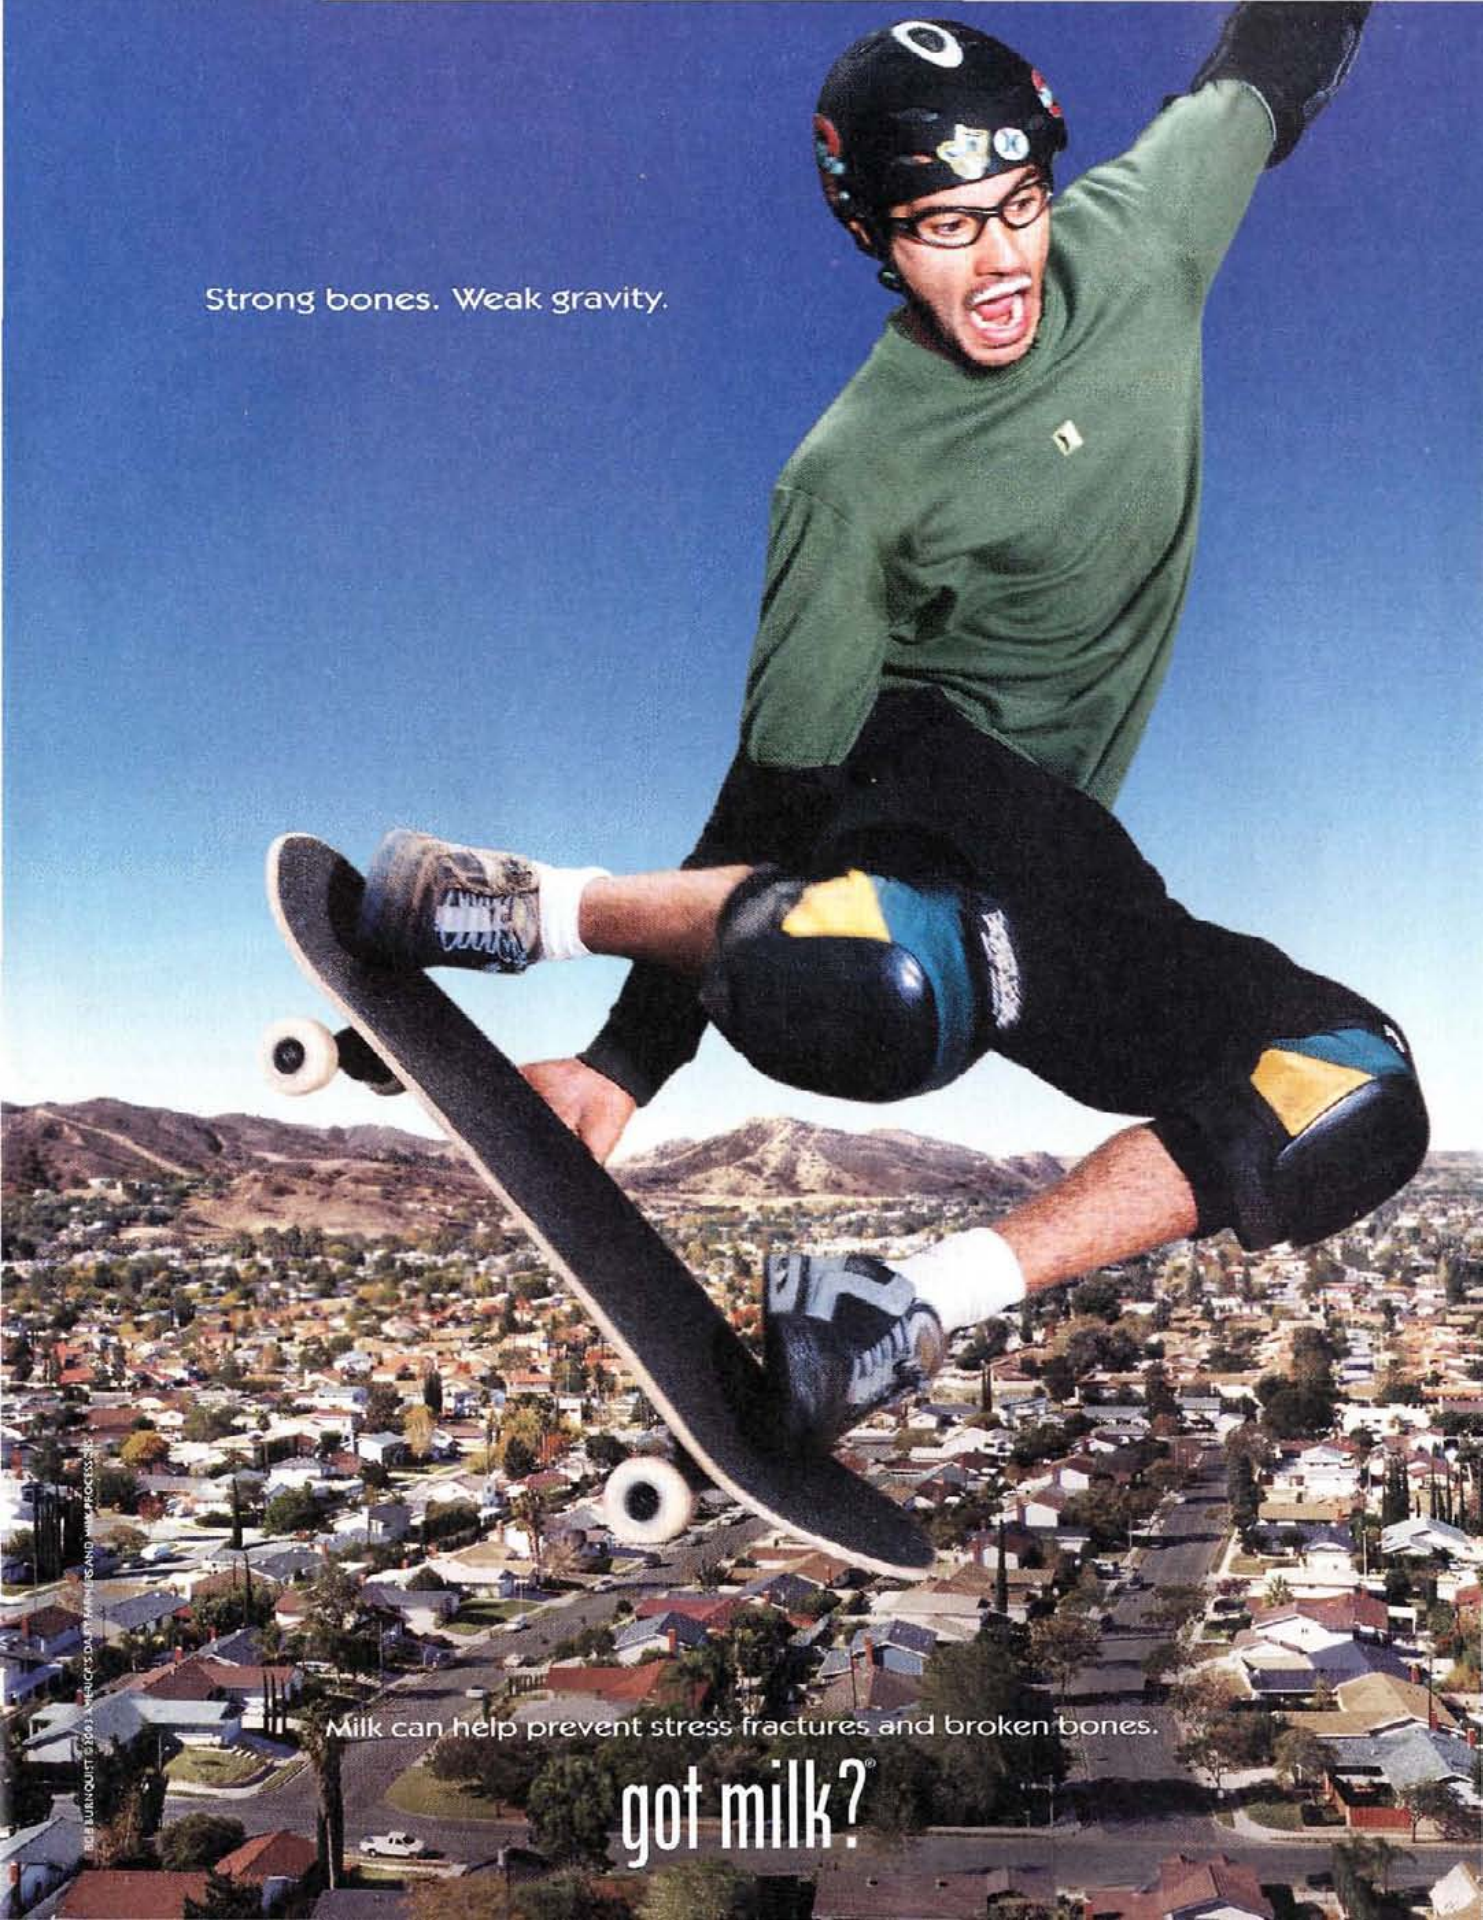

Are you crazy including a segment like "A Series of Uneventful Misfortunes" in MAD #436? Didn't you realize it would require a far greater attention span than that of your average reader? I mean if I wanted to read...Oh, look at the pretty rainbow. Oh darn! Now where was I — milk, eggs, butter, pick up dry cleaning...

Kelly Feraro, Nunn, CO

Kell's Bells — Thank you for your observant — a word which in this case, means "jaw-droppingly moronic" — letter. If you've managed to read this far, Kelly, we thank you! And, of course, "we thank you" is a phrase which in this case means, "go suck an egg!" —Ed.

A full-page advertisement featuring a skateboarder in mid-air. The skateboarder is wearing a green long-sleeved shirt, black shorts, a black helmet with a white 'C' logo, and knee pads. He is holding a skateboard and has a determined expression. The background shows a suburban neighborhood with houses and trees, and mountains in the distance under a clear blue sky.

## DON'T TAKE IT PERSONALS

I would like to respond to the letter James Chmielinski (MAD #437) wrote, responding to my letter (MAD #434) about "MAD's Photo Personals Gallery: The Men." Jimski Shlaminski — Don't you be dissin' my main man "???" That weirdo in the picture YOU sent doesn't look a thing like my hunky love-muffin, so don't even try it. I am not a stalker.

Heather Henderson, Camden, NJ

Health Bar — You say you're not a stalker? That's too bad, 'cause "???" told us he LOVES stalkers! It seems you've blown your one chance to become the future Mrs. "???" Fortunately for you, the "King of Swing" is still available and, rumor has it, he's looking to settle down! Best of luck, and let us know when the big date has been set! —Ed.

The future Mr. Heather Henderson, the King of Swing

## MAD FAN OF THE MONTH

Tyler Joyce of Vacaville, CA is our MAD Fan of the Month! Congrats, Tyler, now pull yourself off the floor and put on some damn pants — you're scaring the readers!

## MAD SOPRANOS SNAPS

After a long hiatus (some wags would say not long enough), The Sopranos is finally back on the air and, more importantly, back on our Letters Page. To celebrate this not-so-momentous event, we're giving you, our dear readers, a collage of Celebrity Snaps featuring some of the show's cast. Congrats to Demetrius Pinder of Providence, RI and Bob Reinhardt of Douglaston, NY for their one-year MAD subscriptions. Also, congratulations to Mark Rubinstein of Birmingham, MI for his three-year sub!

## HITTING BELOW THE BIBLE BELT

It is becoming ever more apparent that MAD is transfiguring itself from a humorous satirical publication to a rambling forum for liberal views. In MAD #437 "The 10 Commandments as Practiced by Judge Roy Moore," you keep talking about how Judge Roy Moore disregarded the founding fathers and broke the "constitutional" separation of church and state. My question is, where does the Constitution say there is to be a separation of church and state? If you are speaking of the First Amendment right of freedom of religion, I fail to see how a stone monument to historical laws hinders the "vast" number of Alabama atheists from worshipping, well, nothing. Also, I thought it would be interesting for The Usual Gang of Idiots to know that our founding fathers prayed to God before every session of the Constitutional Convention.

John Cunningham, Palos Park, IL

Ham Bone — We were very upset upon reading your letter. We here at MAD, like FOX News, pride ourselves on being fair and balanced. We like to think that we offer a "rambling forum" for all viewpoints, as anyone who actually made it through your entire bloated diatribe can attest to.

Thanks for writing and God bless! —Ed.

## LIP DISSERVICE

I am writing to you because I have found that guys don't know how to kiss. If you could educate them it would be much appreciated.

Sarah Bershadsky, Convent Station, NJ

Slim Shadsky — We wish we could help you. But as a girl, aren't you better equipped to teach guys how to kiss? All we can do is to direct you to the Letters Page's resident loverboy, the "King of Swing" and wish for the best. We just hope Heather doesn't mind a little competition! —Ed.

## MAD CELEBRITY SNAPS

# The Big Easel

How about an original oil painting in the fashion of Roy Lichtenstein, complete with Ben-day dots? I created this masterpiece back in my college days for a humanities project that required an art project after an artist we admired. After I copped an "A" for it, I proudly displayed it on the living room wall.

Rick Lohran, Bullhead City, AZ

**Rickelodeon** — Thanks for your contribution to the Big Easel! After so many years on your living room wall, don't you think it's time to find a new home for it? Now might be the perfect time to donate your "masterwork" to the burgeoning Roy Sivek MAD Collection. It's a win/win situation — you'll become a noted patron of the arts AND receive a whopper of a tax write-off! Bango, Ricky! —Ed.

P.S. Readers, we still want you to send in your artistic Alfred-inspired creations, using whatever medium is handy, to grace our Letters Page. Be creative (so we don't have to be)! Send them to: Amy "The Big Easel" c/o MAD Magazine, 1700 Broadway, NY, NY 10019.

us to be together — and by us I mean you  
and me. Jason, you are so lucky 'cause  
you're gonna get to touch these now, and  
I love you and I'm Britney, and oh God,  
I'm gonna be sick! (bride hurls in chapel)

**I, Johnny**

Start over. I, Jason.  
take you, Britney Spears,

THINGS YOU WON'T OVERHEAR AT THE NEXT VIDEOGAME CONVENTION

And now, welcome our next speaker, former Attorney General Janet Reno!

Wow, this is a videogame convention? It looks more like the "Mr. Olympia" competition!

I especially appreciate the hundreds of game titles for the over-40 demographic.

Okay, so it's got great graphics, hot sex and bloody violence—but can't we aspire to something higher in an aesthetic sense?

Speaking as a Black female game designer...

I've got two tickets to the calf-roping semi-finals tomorrow. Interested?

- Which is longer, the third *Lord of the Rings* flick, or Britney Spears' next marriage? Pete likes the Hobbits' chances.
- More contagious, mad cows or SARS monkeys? Pete's going with the monkeys to cover the spread.
- The over/under number on Saddam Hussein's head lice count (taking into consideration the beard) is 1,700 of the little buggers. After scratching his head, Pete has decided to take the over.
- There's two drops of hydraulic fluid running down the lens of the mounted camera on the Mars Rover. Pete's putting five bills on the one on the left.

## GOING TO THE CALDWELL ONCE TOO OFTEN

AFTER A TEN-MINUTE ORIENTATION LECTURE ON PROPER BRASS POLE TECHNIQUE, LORETTA SUSPECTS THIS MAY NOT BE AN AUDITION FOR "AMERICAN IDOL" AFTER ALL.

## GRAPHIC NOVEL REVIEW

848 pgs. \$6.95

The 38th of a projected 190-volume series, *Te-Di-Um!* features the continuing adventures of HeyYa, a blind teen ninja. And we do mean continuing. Tokyoshlok plans on releasing new volumes in the series every Monday, Wednesday and Friday for the next calendar year.

HeyYa is an orphan who lives in lawless feudal times. This plot device neatly covers why he never has to go to school and can spend all day wandering aimlessly from scene to scene. The cast of supporting characters is among the most varied in the genre, including the wise samurai Aoiou; Zil, the cold-blooded assassin; and Fala, the robot demon goth shapeshifter cyberpunk dethroned princess who invents gadgets. And of course, Pock, the sarcastic talking tapeworm.

As the 159-word tale unfolds, readers watch HeyYa learn that he has hidden powers. Then, 50 volumes later, he has to harness those powers. Then, HeyYa has to use them to avenge his parents. But don't get the idea that this is like every other manga story. Remember, this one's got the talking tapeworm.

The art is spare, stylized, and evocative, with huge white areas that look like a baby's coloring book, only without the detail. Meanwhile, the writing provides a level of characterization and sub-plotting that's highly unusual for the genre, stretching this out to a classic 2-minute read.

## THE MARTHA STEWART TRIAL THE CASE FOR & AGAINST

### FOR MARTHA:

● If she really was a slimy, sleazy, high-powered white-collar crook, she would have been on Dick Cheney's speed-dial.

● In the TV movie based on her life, she was portrayed by has-been actress Cybill Shepherd — hasn't she suffered enough?

● Anybody who's seen her try to make a lovely spice rack by gluing together 500 pine cones already knows that she's legally insane and is not responsible for her actions.

● It's a proven fact that prison only makes people worse than they already are. Do you want to help create a *meaner* Martha Stewart?

### AGAINST MARTHA:

● Put her away for 5-10 years and you won't have to hear her prattle on about how you can knit your dryer lint into a cozy afghan for your kitty.

● Let her go and you'll let Osama bin Laden think that Americans are soft on obnoxious, cold-blooded tyrants.

● Somebody has to freshen up that room where lethal injections are given with votive candles and pot-pourri. Who else is going to do it, *you*?

● Putting bald-faced liars in jail will send out the perfect message to our current crop of Presidential candidates.

### THIS MONTH:

**BEST SELLERS**

**CUT DOWN TO SIZE**

Who's looking out for you? Not the wealthy, not the greedy corporations, and sure as hell not the media. In fact, the only person looking out for you is me, a really wealthy guy who works for a greedy media corporation.

### VEY TO GO

"I THANK YOU ALL FOR BEING BY MY SIDE AT THIS TIME. BUT NOW CAN YOU ALL LEAVE SO I CAN GET UP AND GO TO WORK?"

## BITTERMAN

Uncle Joe, can you take me to Disney World?

Zoey, Disney World is nothing but a place for people who want to escape the numbing mundaneness of their drab existence. It's for people whose lives are so devoid of meaningful relationships that they need to develop intense attachments with imaginary characters because it helps them forget, at least for a little while, how pathetic they are. You think they care about you, but all they're after is your money. It's a fantasyland for losers and I wouldn't be caught dead at a place like that.

## KICKING THE HOBBIT DEPT.

Thank Gondor, it's finally over! The first war trilogy that went on longer than the actual war! Why? So that nine hours of digital noodling and countless H-I-O-O-O-N-N-G-G-G "meaningful" gazes can be dumped into the DVD along with that damned "aaaaahhh-aaaaahhhh" soundtrack from the castrato choir of the Role Players Church! The problem is, we GOT it already! Everything this movie has to say, it said way back in the first "Fellowship" movie! Next came the jog-in-place "Two Towers," in which not a single character got two inches closer to his goal! It's obvious, we're all...

# BORED OF THE RINGS

I'm Dodo Gaggings, and I want the Ring! I mean, I have to get rid of the Ring! No, I really want the Ring! No, wait, I don't want the Ring! I'm like the Middle-earth J-Lo! When this saga started, I was a wide-eyed, wet-faced slobbit with a confused expression. Now, I've got these two scratches on my face. In a trilogy this dumb, that counts as major character development!

I am Spam, Spam I am, Dodo's lifelong friend! I've stood by Dodo's side through black rider attacks, through bitter cold, through hunger, through unbearable conditions, through fierce...damn! I can't WAIT until somebody starts Middle-earth Friendster already! I gotta get out of here! One more lifelong friend like Dodo and they'll be measuring me for a 4-foot casket!

Our names is Golfclub! Once we was Cheeseball! But we strangles our best friend, so we could tooks our Precious! And for 500 years since, we is being on the trail of the real killer. Is hard being us! We is one crazy entity, but we's divided in two, constantly fighting. This gimmick provides TWO annoying characters you can hardly understand for the price of one!

Bow before the evil of the Dark One! I am Sorehead, the single most powerful creature in all Middle-earth! There's only one thing that can stop me. A 6,000-gallon vat of Visine!

I'm Dorc General! Think I look scary now? You should see how I look when I wake up in the morning! Until I hack the intestines out of 30 humans and have my cup of coffee, I'm no good to anybody!

Behold Gandoof, the all-powerful white wizard! Can I fly? Well, no, but I can ride a horse! Can I magically blast my enemies? Well, no, but I can whack them with a big stick! Am I a leader of men? Kind of, especially when I shout, "Run! Retreat!" Speaking of "Shout," that's my lame-ass magic for keeping my robes white and clean in this big, muddy mess!

Elves like myself are immortal. The ebbing of time holds no meaning to us. Maybe that's why watching a turtle slowly pass gas is more action-packed than sitting through my scenes in this movie! Both of them! But there's a hidden treat on the *Two Towers* DVD. Find the Easter Egg, and you can watch a special unused 20-minute scene where I blink!

The other elves ask me, "Elbow, do you fear the coming war?" Are they kidding? In just one year, I had to act opposite Liv Tyler and Keanu Reeves. Death can't possibly come soon enough!

# REHLASH OF THE THING

ARTIST: HERMANN MEJIA

WRITER: DESMOND DEVLIN

Joined by my friends, I'm on a quest to claim my rightful throne and be reunited with my true love! Why do I suddenly have the urge to sing "Hakuna Matata"? The crown has passed from such legends as Elendil the Tall, Valandil the Faithful, and Isildur the Swift. And now, me — Peppercorn the Unwashed and Unshaven!

I'm Legolamb, the only action hero ever to get called "sissypants" by Clay Alken! A lot of purists don't like the way I've become some kind of Xtreme skateboard warrior onscreen! But there's not a single moment that isn't 100% in keeping with the original Tolkien books. "Respect the work" is my motto. Now scope me while I railslide into a totally sick crooked grind, and acid drop that dorc's butt!

I'm 3-foot-4 and I carry a 2-foot sword. Think I've got any psychological issues to work out? In the original books, I'm the dignified representative of a dying race. In these movies, I've been dumbed down to a "Tickle Me Gimmick!" who cracks corny jokes. But it's tough to maintain artistic vision when your sightline is right at half a million butts all the time!

That's where you're wrong, Gimmick! As the director of these films, I don't consider a short, fat, hairy little troll to be the comic relief! To me, you're the sex symbol!

The soldiers say, "Baggybuns, you're too small to join us in hand-to-hand combat!" But they're wrong! I survived several years working as an alter boy!

Fear not, Baggybuns! I shall carry you astride my horse as we ride into battle! Hey, I'm no fool! As long as I've got you sitting up front, you block 80% of the arrows coming at me!

As the king, if I'm going to send my army to get killed, it would be ungallant for me to hide in my safe palace! A true leader must take up the sword and place himself in the same mortal danger as his own people! Now THAT'S why this story is a total fantasy!

I'm proud to be a part of what many critics consider a mature masterpiece of storytelling! I play Pimple, a midget who finds a magic ball in the water next to a talking tree, which lets the giant evil eyeball fry my brain. Proud? Um...on second thought, I think I'll tell my children that Daddy works in gay porn!

All we have to eat is this tasteless dry bread, which is crawling with teeny mealygrubs and wrapped in dirty leaves. Here, you can take mine!

What a pal! What a pal!

Yum! Fishes are much tastier than slobbit bread! Yeah, and we gets seconds! You fat pig, it's like you're eating for two! Forgets the fish, let's talk about our Precious! We must gets our Preciousss! Shhh! Do you thinkings maybe we should move this conversation more than ten feet away from the slobbits? Nah! What are the chances that somebody with gigantic ears could possibly overhears us?

Poor Cheese-ball. I've never seen a creature like him!

Me neither! But his schizophrenic baby talk does remind me a lot of Michael Jackson trying to explain what went on out at Neverland Ranch!

Where's Aspercreme?

Where's *who*? Oh, you mean the super-evil wizard who created the army to destroy us? The one who almost killed Gandoff? Um, he's up in the tower. Yeah. Up there. That's where he is!

Doesn't it strike anyone as odd that the final fate of the #1 villain in these movies gets totally blown off with an obviously patched-in line of exposition?

Not to me, it doesn't! We've got \$35 DVDs to sell! And that's why we shoot a dozen extra scenes for the completist fanboy suckers — I mean, lovers of cinema — to drool over! So if you want to see what I like to call "the lost Aspercreme sequence," be sure to preorder now!

You must relinquish the throne! You are merely the caretaker king! You were never actually chosen to be the true leader!

Yeah, but five-ninths of the Middle-earth Supreme Court picked me, so nyah-nyah-nyah! \$300 tax cuts for everybody! Mission accomplished!

I am the Witch-King of Angrymawl! Some know me as the Lord of the Fazooll! Still others speak of the Greatest of the Nine! But you can call me N. Diddy! Now, follow me to the city of men!

It's unbelievable! 200,000 dorcs marching into battle!

What's really unbelievable is that not one of these hammerheads happens to glance to his right and spot us!

We've lost half our army! The invaders are here! The city is lost!

Hmmm! Maybe that "letting them all run past us" strategy wasn't as sharp as we originally thought!

Gyaahh!! That horrible, high-pitched dragon shriek! I haven't heard anything like it since I caught Celine Dion's Vegas show!

Gandoof! How did you know that you could chase away the dragons with a beam of light?

My hut has cockroaches! Every time I flick the lights on in the kitchen, they go running! If it works on them, I figure it could work on dragons!

I've put my son's life in mortal danger, just like Steve Irwin the Crocodile Hunter! My phony-baloney kingdom is collapsing! Come, Pimple, sing a soothing song to distract me!

*My milkshake... brings all the boys to the yard. And they're like... "It's better than yours." Damn right, it's better than yours. I can teach you, but I have to charge.*

Well, I have to admit, that certainly took my mind off things!

Master Dodo, you're listening to Cheeseball, and ordering me to leave?

Yes, I've decided to trust the crazy-eyed, schizophrenic, bald-headed little freak over you, my oldest and dearest friend. It makes perfect sense!

You mean I'm not allowed to climb straight up a sulphurous black mountain anymore? I have to go home? And eat some real food? And sleep in a bed? Hee hee! Oh, um, that was a giggle of sadness!

The horses are restless tonight!

There are half a million lonely soldiers in this movie and just three girls! The horses SHOULD be restless!

Here, Peppercorn! The Sword of Advil has been reformed. You can use this to summon the armies of the dead. Have you any questions?

Yeah, a big one! Why didn't you just tell me the exact same thing, way back in the first movie? Nailhead!

This is a fight we cannot win! We face overpowering odds! Certain doom! And yet, we shall meet them in battle, nonetheless! And do you know what men shall call us?

Yes! Democrats!

Aarrghh! I've been crushed to death by an armored elephant! It's the very same way my father died...and his father before him! Damn! What are the odds of that?

Zero casualties to report, sir!

That's impossible! I just saw thirty soldiers get pulped by a boulder!

No, no, I mean there've been no casualties that MATTER. A hundred thousand warriors get slaughtered, but the 12 main good guys combined don't even chip a tooth! Gee, I wish I had more than two lines of dialogue...GAAHHHH!!!

Noooo! First we lets the spider eats up Dodo! Then we waits! Then we's fish the Precious out of a big piece of splder poop! Our plan was foolproofs! Disgusting, but foolproofs! Us ATTACK! Oops— we's aimed a little high! Never lunge at a 3-foot-tall target!

Gandoof fell off a cliff, but then he came back. Peppercorn fell off a cliff and he came back. Now Golfclub falls off a cliff and HE'LL be back, too! Who wrote this dumb story. J.R.R. Tolkien or Wile E. Coyote?

Is this truly the end? Nay, the journey doesn't end here. There is another path, one that all ye must take!

And where shall the journey take us, Gandoof the Wise?

Whaddaya mean, "us"? I'm an Academy Award-nominated actor. I'm talking about YOUR journey, shrumpy! The one that's going to take your typecast ass to every comic book convention, sci-fi fest, car show and fan cruise for the next 30 years! Mini! Me is going to see more scripts than you slobbits will! So give more of those annoying TV interviews about your moronic Fellowship tattoos now. After this, your glory days are so over!

Bye, Army of the Dead! Thanks for coming!

Now, we will distract the all-seeing Eye of Sorehead by, um, standing outside his door!

Woo hoo! After eight hours of this videogame movie, I'm more than ready for a suicide mission! But how do we know Dodo's anywhere near the correct spot? Besides, locating the Ring is the one crucial element of Sorehead's plan. It's the single most important thing in his life! Why would anything we do distract him in the slightest from tracking Dodo?

Good points! But don't forget Sorehead's strategy! Apparently, it's to completely burn and ravage every square inch of the world, killing everyone in it! Then he'll be in charge of everything that's left. Namely, nothing! So, he's not a "big picture" kinda guy!

Whenever we's nervous, we start biting nails. We thinks we'll start with yours!

YEOWWW!!! I've heard of giving somebody the finger, but this is ridiculous!

Cheeseball thought a ring would solve his problems, but he still wound up being destroyed. Just like Kobe!

All right, so maybe it's wrong to stand here, smiling, watching three midgets in the same bed, bouncing on top of each other in slow motion. Just be glad I'm wearing these long, roomy robes!

Enjoy yourself, freak! As for me, I've got a throne and a beautiful female elf, and I'm going to climb on both of them!

Sure, she's hot now, dude. But she's still only 2,778 years old. Watch out, Peppercorn! Elf chicks tend to "hit the wall" by their 2,800th birthday!

And now, you shall be known as Queen of the Elves!

Not as long as Legolamb's around!

I'm going to put my hands around two pints, one way or the other!

Wait! Peppercorn just got to be King! Everybody bowed down to us! Wasn't THAT supposed to be the ending?

It *should've* been, yeah! But we just couldn't leave this part out. Finally, after three years of swords and rings and dragons, **SOMEBODY** finally gets some action!

Hold on! Apparently *that* wasn't the ending, either! How long does this go on?

Most movies these days are 100 minutes, tops. This puppy just clocked 9 hours! So we deserve about six endings!

I hope the screenwriter does a better job with this story than Billboard and I did with these books!

Must leave. Forever. Boat. Why? No idea. No explanation. Very sad!

Last night, during sex, why did you call me "Master Dodo"?

Looks like Gandoo's not the only one around here with a beard!

Three movies! Six endings! Nice editing job, fat-boy! And they calls US schizo!

# Duke Bissell's TALES OF UNDISPUTED INTEREST

I WAS DOING SOME PLUMBING REPAIR WORK IN MY APARTMENT WHEN SUDDENLY A PIPE BURST.

I HAD NO IDEA THIS APARTMENT COULD HOLD SO MUCH WATER.

TWO MONTHS LATER I WOKE UP FROM WHAT THE DOCTOR TOLD ME WAS A COMA.

WE HAVE QUITE A BED SHORTAGE AT THIS TIME SO I HOPE YOU DON'T MIND WE'VE BUNKED YOU WITH A GUY WE THINK MIGHT BE DEAD. WE'RE WAITING FOR THE TEST RESULTS.

I THINK HIS CATHETER SPRANG A LEAK.

WHAT AN IDIOT, I'M IN A COMA TOO.

AFTER I PAID MY BILL AND LEFT, WHO DID I MEET ON THE STREET BUT THE SUPER.

HEY DUKE, I THINK I FINALLY FOUND SOMETHING I REALLY LIKE TO DO, HAWKING USED GOODS.

THAT LOOKS LIKE THE STUFF THAT USED TO BE IN MY APARTMENT.

THINGS WERE GOING FROM BAD TO WORSE, SO I DECIDED TO CALL THE SUPER.

I CAN'T UNDERSTAND A WORD YOU'RE SAYING. YOU SOUND LIKE YOU'RE UNDER WATER OR SOMETHING.

I HAD NO IDEA MY LUNGS COULD HOLD SO MUCH WATER.

EVENTUALLY I WAS TAKEN TO A REHAB UNIT SO I COULD BEGIN TO GET BACK THE USE OF MY LIMBS.

YOU'LL NEVER GET BETTER IF YOU KEEP USING ALL YOUR ENERGY TO LOOK DOWN MY BLOUSE AT MY FIRM YET SUPPLE BREASTS.

I WONDER IF THE SUPER EVER CALLED ME BACK?

A FEW MONTHS LATER THE E.P.A. INFORMED ME THAT ALL OF THE LEAD AND ASBESTOS THAT LEACHED OUT OF MY WALLS WAS PUSHED BACK IN AND COVERED WITH A FRESH COAT OF PAINT AND IT WAS SAFE TO MOVE BACK IN.

NONE OF THAT CRAP OF YOURS WAS WORTH ANYTHING, SO I'M BACK TO BEING THE SUPER.

NUTS - I THINK THEY FORGOT TO TAKE MY CATHETER OUT.

Once again it's the time of year when both America's brightest minds and dimmest bulbs travel across the country in a debauched orgy of bad behavior, uncivil conduct and pointless craziness! No, we're not talking about the presidential primaries, we're talking about Spring Break! It was at the last Spring Break we attended that a good friend said to us, "The well-mannered Spring Breaker is a happy Spring Breaker" — just before passing out in a pool of his own sick. It is with that image in mind that we proudly present...

The straight-thinking Spring Breaker waits until the last minute, but eventually dissuades his smashed male friends from getting butterfly tattoos on the small of their backs.

# MAD's Etiquette Guide to SPRING BREAK

It is highly recommended that at least one person in your group know how to say in Spanish, "Where is the hospital? My friend is bleeding vodka from his ears."

Beach brawls resulting from college football rivalries should be ended as soon as the first participant drowns.

Beach towels borrowed to clean up flooded toilets should always be returned to the balcony railing they were drying on.

Thoughtful Spring Breakers only hide illegal substances in the carry-on baggage of friends able to afford the bribes necessary to avoid being arrested.

The appropriate response to having your fake ID confiscated is never, "But you just let my friends in with theirs!"

Phone calls to parents should never be made when there is a chance that the conversation might be interrupted by a wet T-shirt contest announcer calling your name.

What happens in the maintenance closet of a taco stand in Cancun stays in the maintenance closet of a taco stand in Cancun.

Third nipples should be kept covered until such time as showing them helps you win a bet.

Putting your roommate's underwear in the hotel ice machine is very much frowned upon, whether they have been worn yet or not.

It is better not to send a post card to your parents than to send one that smells like urine.

Until the ambulance arrives, drunken revelers who fall onto your hotel balcony from the one above ought always be treated with the same courtesies invited house guests receive.

# MAD'S SIMPLY DREADFUL OUTTAKES

Randy, you know we're happy for you...but if we have to listen to **ONE** more detail of your stomach-stapling surgery...

Oh, I'll catch their attention all right — just as soon as I unleash my "backup singers," if you know what I mean!

In lieu of a song, I'm going to do a dramatic reading from "The Vagina Monologues"!

When Donald Trump sees my hair, I'm going to Hollywood! What? He's not a judge here? You mean this isn't *The Apprentice*? Oh, sh\*t!

Yow! I've never heard *that* note before, but apparently it's the resonant frequency of my lower intestine!

We're here in a stadium full of **25,000** people — almost all of whom could do my job as well as, if not better than, me!

Where'd they go?  
All I said was I'm going to sing  
a Michael Bolton song!

You, out there in TV Land:  
if you had bought my albums when I was  
singing, I wouldn't have to resort to THIS  
schlock to make a living!

Attention! Everyone who's  
going to sing "Wind Beneath My Wings,"  
please sit in the UPPER deck; those who'll be  
singing "I Will Always Love You,"  
in the LOWER deck!

The best advice I  
could give to this year's finalists:  
if the people who wrote *From  
Justin to Kelly* come to you with  
a new screenplay...RUN!

C'mere, Britney,  
I have to know  
for myself...

Ok, you caught  
me — yes, I'm Ruben! I figured it'd  
be great if I could win as a woman  
this season!

There's a new TV series about a teen who communicates with God. This show seems to have overlooked the commandment "Thou Shalt Not Steal." It's basically a hodgepodge of old stuff we've all seen before in *Highway To Heaven*, *Teen Angel* and *Oh God!* with George Burns. It may be listed in your TV Guide as new, but it's mainly recycled gospel. Here is...

# Joan of Archaic

I was a high school baseball star, then came the auto accident! Now I'm paralyzed! Mom, will I ever walk again?

There's always hope, Cave-In! The doctors said they may find a miracle cure within five years!

Five years! That could be a big problem!

Don't you have faith that medical science will find a cure within five years?

I don't have faith this series will *last* five years! With our sappy dialogue, we're lucky if it hangs on for five weeks!

Wow! How did a series like this manage to get Tony-winner Joe Mantegna and Oscar-winner Mary Steenburgen to sign on?

Both *God and show* business work in mysterious ways!

You mean the actors were attracted by the series' inspirational message and the uplifting scripts?

Actually, their agents couldn't make a deal with *The West Wing*, *CSI* or *Whoopi!*

Hi! You may think I'm just another punk teenager, but I'm *really* God! Yeah! I'm The Main Man! The question people *always* ask is, why do I appear as someone different every time I meet Joan? The *smarter* question is, why do I waste my time with the trivial nonsense of *Archaic* when the Mideast is ready to explode and the Earth is about to melt? Hey, later, dude!

WRITER: JOSH GORDON

Hello, Joan!

It's me, God!

Hey, I figured at a high school I'd blend in! Who's gonna notice yet another freaky outfit!

Who are you?

You're a Viking this week?

How come you keep following me?

I tried to email you but I couldn't get through! I kept getting bumped off!

God kept getting bumped off!?

Even the all-powerful has trouble with AOL!

Cave-in, what are you doing here?

I'm only half a man! I want to make sure the half that works enjoys itself!

Hello, Joan! How's the jig-saw coming?

You? God is a lap dancer?

I take many human forms! I could have been a senator or a lawyer — but frankly, that would have been too sleazy!

My brother is in a wheelchair! He needs a miracle!

Actually, I don't do miracles! I repair souls — if you get my drift!

But you're God!

You're not getting the message of this series! I don't work directly! I guide. I suggest. I give advice! You've got to figure out the answers yourself!

Bummer! I'm not happy about this! I'm becoming agnostic and I'm taking my shoe repair business elsewhere!

It's finished! A thousand interlocking pieces! What a beautiful seascape!

It's amazing how Joan's jigsaw puzzle miraculously brought the family together!

I'm not bitter anymore! I now realize I can work with my hands! I've decided to join the wheelchair basketball team!

The pieces of the puzzle are coming together! Even the pieces of my murder case are all fitting together!

$C_6H_{12}O_6$ !

What's that?

The chemical formula for vomit is also coming together! I'm barfing here!

Joan, there is work to be done. We have deep problems!

What's up, God?

I'm not God! I'm a CBS executive! We have to talk about numbers!

You mean like in the Bible's Book of Numbers?

I mean the ratings numbers! We're low! But, not to worry, CBS has a fix for next season!

Cameo celebrity Gods!

I am the Almighty! I work with my assistant, St. Paul! Here are the Top Ten reasons why you should build a bird house!

Joan, We gave you a task. To inspire the community! To build a vegetable garden. It was awful! One of the worst vegetable gardens I've ever seen. The carrots were painful to see, the cauliflower was dreadful, your rutabaga was a joke!

Your task! You must work hard! Do good deeds. Keep in shape, physically as well as mentally! Do not expect any miracles! That only happens in places like Cal-eee-fawnia!

You definitely need a spiritual makeover! Get a job at a shelter, adopt a pet, save a whale and while you're at it, change your hair color! Please!

Oh, God!
